Its too bad you will miss the strategy meeting as this really involves all the SF programs that are involved with UA. It is more than just a letter that we are drafting – its an overall strategy that Martin has requested. but I know OSCs are often busy on travel. We do need to meet at some point on this.

Paula,

I am traveling Wed – Fri this week, and again all week next week. I will look at the letter today or tmrw and offer any thoughts to you and Richard.
